CLEAR ALIGNERS

SO SIMPLE. SO CLEAR.

## REVEAL THE CONFIDENCE IN A GREAT SMILE.

The Reveal Aligner System is designed to provide an esthetic, comfortable aligner that gets you the results you're looking for!

## CLEARER THAN OTHER ALIGNERS.

- Engineered to provide increased clarity.
- Guaranteed\* not to yellow, discolor, or stain throughout the treatment.

\*Based on normal use and regular cleaning.

## ALIGNERS DESIGNED WITH YOU IN MIND.

Most dentist-provided aligner systems require attachments or “buttons” that are glued to your teeth. These attachments can be unsightly, uncomfortable, and may require you to spend more time in a dental chair.

## THE REVEAL CLEAR ALIGNER SYSTEM HAS NO ATTACHMENTS.

The Reveal Aligner System is a comfortable, convenient, and affordable option for getting the smile you want.

### WHICH WOULD YOU RATHER HAVE?

With Attachments

Without Attachments

## TRUST US WITH YOUR SMILE.

We understand that you have options when it comes to aligners. Seeking treatment from a dental professional will give you the opportunity to address all of your oral health needs. Your dentist can monitor your progress from start to finish - supporting you throughout the entire treatment - to preserve your health and improve your smile.
